Walk/Run for a Cause

All proceeds from this Walk/Run will be donated to Breast Cancer Awareness Organization

About Breast Cancer

Breast cancer is a type of cancer where cells in the breast tissue divide and grow without normal control. It is a widespread and random disease, striking women and men of all ages and races. It is the most prevalent cancer in the world today, with about 1.3 million people diagnosed annually. The exact cause of the disease is unknown, and at this time, there is no cure.

But there is **HOPE**. Thanks to heightened awareness, early detection through screening, improved treatment methods and increased access to breast health services, people have a greater chance of survival than ever before.

Prizes will be awarded to winners in age categories listed on the registration form.

Location of Walk/Run: Bobby James Gym, 605 James Street Ruston, LA 71270
